Tips for Parents and Teachers

- Practice these questions regularly with children to build confidence
- Encourage children to speak clearly and in complete sentences
- Make the practice session fun and interactive
- Use visual aids and props to help children understand better
- Be patient and appreciative of every attempt the child makes
- Customize answers with the child's actual information (name, age, school, etc.)
- Start with easier questions and gradually move to more complex ones
- Create a comfortable, pressure-free environment during practice
